**BRANDYWINE TRAIL END-TO-END HIKE**

**Liability Release and Registration Form - Wilmington Trail Club - Saturday, April 13, 2019**

Because risks are always involved in hiking you should consider the following matters before participating in this event:

1. The Wilmington Trail Club desires to conduct this event in a safe manner and expects your cooperation. Therefore, when hiking, you must follow certain basic safety rules: follow the instructions of the hike leaders, check the provided Trail Guide frequently and stay on the route that has been marked out with 2 in. by 6 in. white-painted blazes and/or white tape, stay on the left side, single file, facing traffic when hiking on roads.
2. Wilmington Trail Club hike leaders are amateurs and not paid professionals. They are volunteers who are conducting the activity for the benefit of all. The decision to participate, or to continue with this event, is yours alone. The leaders will help with arrangements to carry out your decision, consistent with the resources and welfare of the group.
3. You should determine the difficulty of this event and any event, the possible hazards, and the possible weather conditions before participating.
4. You are responsible for outfitting yourself with appropriate clothing, shoes, and equipment. It is recommended that you carry a container of water with you.

**Important: Liability Release & Hold Harmless Agreement**

I am aware that there are always risks involved in hiking and voluntarily assume the risk of injury and even death while participating. I have read the information above. In consideration of my being permitted to participate in this event, and in further consideration of being allowed to enter onto any private land, I, RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE the Wilmington Trail Club (WTC), its officers, and members and the owners of such private lands, as well as their respective agents, representatives, and successors (hereinafter referred to as RELEASEES) from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by me or any of my minor children during or as a result of this event. I further hereby AGREE TO HOLD HARMLESS THE RELEASEES from any loss, liability, damage or costs, including court costs and attorney's fees, that may incur due to my participation in said activities, whether caused by gross negligence of RELEASEES or otherwise. Specific to this hike, the "End-to-End", I understand and acknowledge that the lands over which I propose to travel are rough, frequently un-maintained by landowners who have no responsibility for my welfare, with often challenging obstacles and conditions subject to unpredictable day-to-day change, and can pose substantial potential dangers. I knowingly accept those significant risks for myself (and for those for whom I am responsible) on my routes through those lands in their "AS IS, WHERE IS CONDITION WITH ALL FAULTS AND HAZARDS".
